5-Aug-08

8:00 AM JLC
5S Facilitator Class - Honeywell
*****DEADLINE TO SIGN UP IS JULY 24TH*****

PARTNER NEEDED FOR THIS EVENT!!

This course is designed for those who will be tasked with leading Kaizen/Rapid Improvement events in your facilities. Students will be taught how to identify opportunity, scope, plan, execute and sustain a Kaizen initiative by working on a group project with students from other companies under the guidance of an experienced mentor. Technique is based on the Toyota 10 Step Method, using components of DMAIC. 30% of the class room instruction involves facilitation soft skills.

7-Aug-08

8:00 AM JLC
Intro to CI - UNF University Center

Intro to continuous Improvement provides the student with the basic Lean concepts, principles and tools and includes a hands-on waste-finding exercise for the shop or office as well as a hand-on simulation demonstrating the power of one-piece flow (vs. batch production). Throughout the day, discussions will take place around topics that focus on the participants' situation to demonstrate how Lean works in their environment and how the thinking and tools adapt to their situation.
